CONTENTS FOR VOLUME 50

Alcock, J.
Observations on the behavior of *Mallophora fautrix* 68

Alexander, C. P.
A new species of *Idiognophomyia* from California 279

Aliniazee, M. T.
Contribution to the bionomics of the grape leaffolder, *Desmia funeralis*: a laboratory study with field observations 269

Anderson, J. R., W. Olkowski, and J. B. Hoy
The response of tabanid species to CO_2-baited insect flight traps in northern California 255

Arnaud, P. H., Jr.
Polistiopsis mima in Costa Rica 90
Insects and mites associated with stored *Cannabis sativa* 91
Paradejeania rutilioides nigrescens reared from *Hemihyalea* sp. 93
Collection of adult *Deuterophlebia coloradensis* at Boulder Falls, Colorado 94

Ayala, F. J. and T. Dobzhansky
A new subspecies of *Drosophila pseudoobscura* 211

Burnett, J. A.
A new cynipid wasp from California 298

Byers, G. W.
Larva and pupa of *Idiognophomyia enniki* 282

Carlson, D. C. and P. O. Ritcher
A new genus of Ochodaeinae and a description of the larva of *Pseudochodaeus estriatus* 99

Chandler, D. S.
A redefinition of the Tyrini with the addition of *Anitra* 162

Chemsak, J. A. and E. G. Linsley
Notes and descriptions of some lycid-like Neotropical lepturine Cerambycidae 35
Descriptions and records of Clytini from Mexico and Central America 129

Cheng, L.
A simple emergence trap for small insects 305

Clement, S. L.
A note on the nesting biology of *Dranthidium pudicum pudicum* 87

Dailey, D. C., T. Perry, and C. M. Sprenger
Biology of three *Callirhytis* gall wasps from Pacific slope *Erythrobalanus* oaks 60

Doutt, R. L.
The genus *Dicopus* 165
Chaetogramma, a new genus of Trichogrammatidae 238

Doyen, J. T.
Book Review: The bark and Ambrosia beetles of California 83
Biological observations on darkling ground beetles from western North America 85
Differential predation of darkling ground beetles by the Channel Islands fox 86

Fisher, T. W. and R. E. Orth
A new species of *Sepedon* from Oregon 291

Foster, D. E.
Ovipositional behavior of *Chloealtis aspasma* 207

Gittleman, S. H.
Martarega hondurensis and *Buenoa antigone* as predators of mosquito larvae in Costa Rica 84

Greenbaum, H. N.
A new species of *Ptenus* from Arizona 423

Haradon, R. M.
Vaejovis spicatus: A new scorpion from California 23

Hardy, A. R.
A new species of *Cyclocephala* from California sand dunes 160
Two new species of *Pseudocotalpa* 243

Hardy, A. R. and F. G. Andrews
Observations on *Megasoma* with behavioral notes on some lamellicorn beetles associated with sand dunes 124

Hevly, R. H. and C. D. Johnson
Insect remains from a prehistoric pueblo in Arizona 307

Horn, D. J.
Observations on primary and secondary parasitoids of California oak worm, *Phryganidia californica*, pupae 53

Hovore, F. T. and E. Giesbert
Two new species of Cerambycidae from Southern California 139

Kompfner, H.
Larvae and pupae of some wrack dipterans on a California beach 44

Larochelle, A.
The American toad as champion carabid beetle collector 203

Lnagston, R. L.
The maritime earwig in California 28

Linsley, E. G.
Fifty years of the Pan-Pacific Entomologist 309

Linsley, E. G. and J. A. Chemsak
Cerambycidae collected in the Galapagos Islands by Robert Silberglied 303

McDonald, J. F., W. B. Heed, and M. Miranda
The larval nutrition of *Minettia flaveola* and *Phaonia parviceps* and its significance to the Hawaiian leaf-breeding *Drosophila* 78

Middlekauff, W. W.
Larva of the wood-boring sawfly *Syntexis libocedrii* 288
Delayed emergence of *Polycaon stouti* from furniture and interior woodwork 416

Miller, D. R.
Two new *Heliococcus* species, a key to the North American species, and a list of world species 177
Mealy bugs of San Clemente Island, California 193

Mockford, E. L. and A. N. Garcia
Two new synonymies and a new name in North American *Lachesilla* 235

Moore, I.
Notes on *Hesperus arizonicus* with description of the female 22

Papp, R. P.
Recovery of *Anax junius* from a glacier in the Sierra Nevada 67

Penrose, R. L.
A new subspecies of *Crossidius humeralis* from Texas with a redescription of the species 248

Penrose, R. L. and R. L. Westcott
Lepturine longhorns collected on Chinquapin bloom 72

Philip, C. B. and L. Floyd
New North American Tabanidae XXI. Another new *Bolbodimyia* from Mexico 145

Pinto, J. D.
Courtship behavior in *Linsleya compressicornis* and its taxonomic significance 1
The occurrence of *Spastonyx macswaini* in California and a description of its first instar larva 418

Poinar, G. O., Jr.
The presence of *Sphaerularia bombi*, a nematode parasite of *Bombus* queens in California 304

Polhemus, J. T. and J. R. Hendrickson
The occurrence of *Trichocorixa reticulata* in the Gulf of California 52

Potts, R. W. L.
Revision of the Scarabaeidae: Anomalinae 1. The Genera occurring in the United States and Canada 148

Powell, J. A.
Occurrence of prolonged diapause in ethmiid moths 220

Proceedings of the Pacific Coast Entomological Society 90

Scott, D. W.
Notes on the general biology of the flatheaded fir borer *Melanophila drummondi* reared from ponderosa pine 204

Scott, J. A.
Adult behavior and population biology of *Poladryas minuta*, and the relationship of the Texas and Colorado populations 9

Shapiro, A. M.
A new northern record for *Philotes sonorensis* 442

Siri, M. L. and R. M. Bohart
A review of the genus *Mellinus* 169

Slobodchikoff, C. N.
Notes on the biology of *Therion circumflexum*, with a description of the immature stages 111
Behavioral and Morphological mimicry in a cranefly and an ichneumonid 155

Smith, R. F.
The origins of integrated control in California, an account of the contributions of Charles W. Woodworth 426

Steffan, W. A.
Nearctic species of *Schwenkfeldina* 118

Steiner, A. L.
Unusual caterpillar-prey records and hunting behavior for a *Podalonia* digger wasp: *Podalonia valida* 73

Telford, H. S.
Obituary: Ralph Ward Dawson 209

Thomas, D. B., Jr.
The genus *Codophila* in North America 441

Torchio, P. F.
Mechanisms involved in the pollination of *Penstemon* by the masarid wasp, *Pseudomasaris vespoides* 226

Wood, S. F.
Tolerance of *Neotoma* and *Rattus* to the feeding of *Triatoma* 205

Zoological Nomenclature 278
